RE: Year End Report (10/01/2021 - 12/31/2021)
FEC Committee ID #C00787135

Dear Mr. Jones:

I am in receipt of your letter dated February 22, 2022 regarding the aforementioned report. Below please see the responses to the 4 items you listed:

1. Please note all contributions that you listed on this inquiry were either redesignated, reattributed or refunded within the permissible 60 day window as outlined in the regulations and will be reflected on the upcoming April Quarterly report.
2. In regard to incomplete identification information and/or incomplete occupation and name of employer: We report the information exactly as it is provided to us by the donor. Each initial solicitation requests an employer and occupation of the donor as well as citing the FEC regulation requiring the request for this information. If the information is not provided on our initial contribution solicitation, the Committee's policy is to send a follow-up letter within thirty days of the original contribution to request the information with a pre-addressed, return envelope enclosed for the return of such information. The follow-up letter contains no additional solicitation for contribution. Additionally, on this follow up request, we inform the donor that federal law requires us to use our best efforts to obtain and report the complete name, mailing address, occupation, and employer for each individual whose contributions aggregate in excess of \$200 in an election cycle. All such information received is reported accordingly. Information Requested is provided in the employer and occupation field to inform the Commission we have adhered to the best efforts regulation.
- 3.& 4 Please note any disbursement purposes that were incomplete or missing have been corrected and have been reflected on the amendment filed 3/29/2022
FEC-1576791

At this time our committee believes to be in compliance.

Sincerely
Cameron Phillips
Treasurer
